转换PDF为其它格式

The screenshot shows a dark-themed menu for converting PDF files. At the top, the text "转换PDF为其它格式" (Convert PDF to other formats) is displayed. Below this, there are five icons representing different target formats: Word (W), Excel (X), PowerPoint (P), JPEG (JPG), and PNG. Each icon is accompanied by a label: "PDF转JPG", "PDF转Excel", and "PDF转PPT" are visible. A grey rounded rectangle is overlaid on the menu, with a large grey arrow pointing from it towards the right side of the image.
